

Hi,

I have been sent to visit your family by my friend Santa. My job is to help your family have a magical Christmas this year. During my visit I help Santa decide whether you are on his naughty or nice list, so make sure you are on your best behaviour. But don't worry I am here to have fun as well.

Each night, I patiently wait for you to go to bed so I can update Santa on how you've behaved that day. Then I begin my own fun, I might dress up in one of my costumes, I may go on an adventure in your home, or maybe I help decorate your house, whatever I have planned, your job is to find me the next morning. Careful not to wake too early, or I might not have had time to finish my fun.

I do have a few special rules

1. Please do your best to stay on the nice list, which means being kind to others.
2. Please give me a special nickname, this helps me remember who I belong to.
3. It's very important not to touch me, otherwise, it can harm my magic, I need this magic to visit you.
4. Most importantly HAVE FUN!

I hope you are as excited as I am!

Love,
Your Special Elf
