

Hi.

We have been sent to visit your family by our friend Santa. Our job is to help your family have a magical Christmas this year. During our visit, we help Santa decide whether you are on his naughty or nice list, so make sure you are on your best behaviour. But don't worry we are here to have fun as well.

Each night, we patiently wait for you to go to bed so we can update Santa on how you've behaved that day. Then we begin our own fun, we might dress up in one of our costumes, we may go on an adventure in your home, or maybe help decorate your house, whatever we have planned, your job is to find us the next morning. Careful not to wake too early, or we might not have had time to finish my fun.

We do have a few special rules

1. Please do your best to stay on the nice list, which means being kind to others.
2. Please give us a special nickname, this helps us remember who we belong to.
3. It's very important not to touch us, otherwise, it can harm our magic. We need this magic to visit you.
4. Most importantly HAVE FUN!

We hope you are as excited as we are!

Love,

Elfie's
